My Purpose

I passionately believe

In the power of ideas to

Differentiate | Motivate | Inspire

Your business beliefs.

Who | Am

Hello

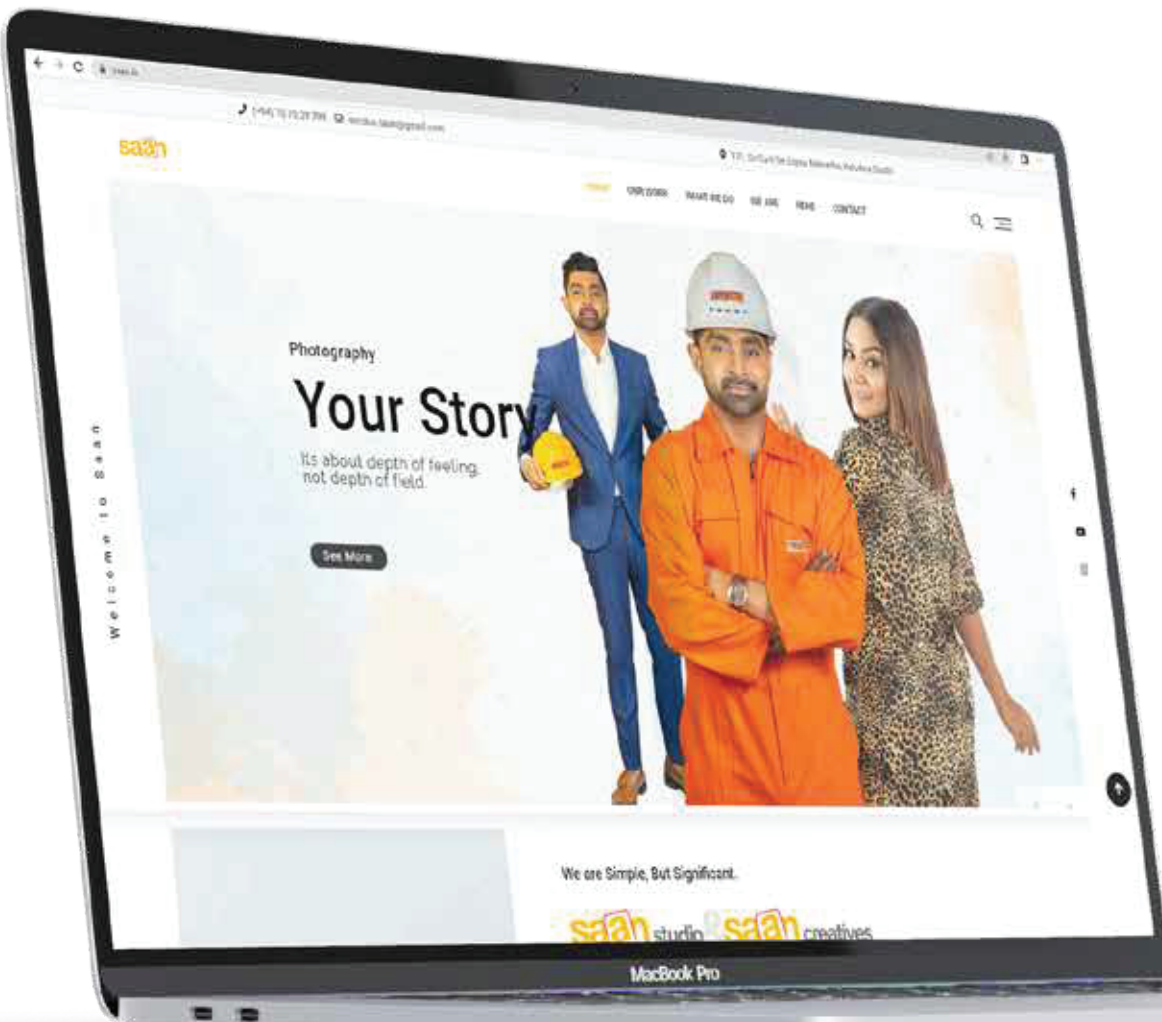

I am Sahan (Saan)
Art Director

I am a senior graphic designer, with Bachelor of Design (Hons.) - Second Lower (Academic Standing) from University of Moratuwa, Sri Lanka. A dynamic and innovative professional with 10+ years of invaluable hands-on experience in handling several simultaneous creative design projects, concept creation, graphic design, animation, visual conceptualization and Digital marketing.

I am an individual with strong verbal, visual and written communication skills, strong conceptual, designing, collaboration, project management and organizational skills. Having the passion to learn new and complex technologies. Research appropriate current technologies to suit business goals. Practiced critical thinking skills and effective communication skills.

Proficient in the use of software such as Adobe Suite (Photoshop, Illustrator, After Effects, Premiere Pro, InDesign etc.), Blender 3D and Rendering Softwares. Working proficiency in Microsoft Office suite (Word/PowerPoint etc.), Photography, Videography and HTML CSS experience

My Scope

Design
& Creative
Solutions

Digital
Marketing

Web
Design
& Development

Design & Creative Solutions

In a world of templates and free designs, creativity is taking a toll. That's why we make it our sole mission to bring you nothing but award-winning creative and design solutions – so maybe we can't change the world, but at least we change how you see it.

I am passionate about attention to detail and producing work that exudes functionality without compromising on design; this is work that is exceptional and uniquely crafted to perfectly align with your brand's individualistic needs.

- Brand Identity Design
- Corporate Identity Design
- Packaging
- Brand Guidelines
- Brochures & Paper Ads
- Company Profiles
- Video / Motion Graphics

Digital Marketing

I specialise in getting your name out there on the digital ecosphere, helping you better connect with your audience effectively enough to attract, convert, close, and delight. In creating your ideal brand strategy, we employ content marketing policies through web and social applications paired with Pay Per Click (PPC) and Search Engine Optimisation (SEO) to essentially bring your brand global recognition.

- Social Media Marketing
- Content Marketing
- Digital Media Management
- Digital Media Advertising
- Analytics & Reports
- SEO

Web Design & Development

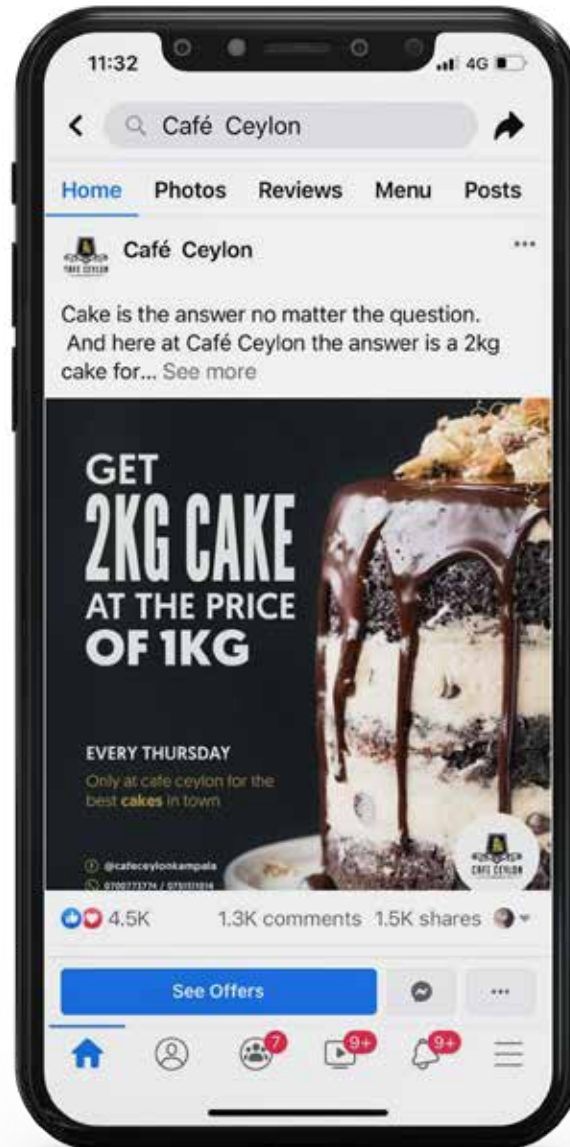

The visual aesthetic and usability of a website is governed by its web design. Through the use of colour, images, typography and layout, web design brings forth a wholesome digital experience to life. From conception and strategy to design and implementation, I build and host premium websites providing for an intuitive user experience, specifically addressed to your business needs.

- Responsive Web Design Strategy
- User Interface Designing
- User Experience Designing
- Content Strategy
- Content Management System Integration
- Information Architecture & Design

Company Profile

Hi-Tech
CONCRETE SOLUTIONS (PVT) LTD
WaterProofing.lk
Sri Lanka's Waterproofing Specialist

www.waterproofing.lk

Company

Hi-Tech Concrete Solutions (Pvt) Ltd was founded in year 2011 as partnership known as **Hi-Tech Engineering Solutions**. It provides specialised applications in Civil Construction industry that has built a strong reputation for delivering a quality service on time, and at a competitive price. We pride ourselves on being skilled and experienced in all aspects of Waterproofing, Industrial Flooring, Concrete Restoration, Thermal Insulation Systems, Crack Repairs, Joint Sealing, Protection Coatings, etc. We have extensive expertise in all areas of waterproofing and protective coatings and have completed projects for a wide range of Cliental from Residential Projects, Commercial Buildings & Industrial Units to mass scale infrastructure projects.

#MilestoneProjects

It is a great honour to be a major part of this Sri Lanka's iconic project, Solid Waste Management Project by Ministry of Megapolis and to accomplish its main part of waterproofing work an area more than 30,000 Sq.m successfully.

Our Vision

"We want to be the preferred service provider in Waterproofing, Protective Coatings, Specialised Finishing & Concrete Rehabilitation, we want to achieve this by providing high quality products & services that will exceed the expectations of our clients."

Our Mission

"We want to always innovate and to have good support structures in place to manage the changes as well as cultures in the organisation. By maintaining good standards, providing quality products and services that are of high quality and doing continuous research on what is happening in the industry will help us to be able to stay competitive."

Our Team

At Hi-Tech Concrete Solutions (Pvt) Ltd, we have highly motivated and dynamic team who enjoy completing projects to the highest of industry standards. Currently, we have skilled staff on our team with a wide range of experience and skills to ensure we can successfully deliver on any project that we undertake."

Our Principles

A chemicals specialist at the service of construction materials, CHRYSO has tripled its turnover over the past decade to become an international leader active in 70 countries by means of its 20 subsidiaries around the world. CHRYSO provides its customers – cement manufacturers, concrete plants, precast manufacturers, and construction companies – with its formulation expertise and knowledge of construction materials.

Superbuild Ltd is providing specialized chemicals for construction, industrial and marine fields, offering comprehensive solutions for a variety of applications under the brand name "SUPER-CRETE". The aggressive innovation of Superbuild Ltd resulted in the development of a multitude of custom-made solutions for the construction industry in New Zealand. The modern know-how and high-tech manufacturing facilities provide advanced technology at an affordable price.
